# ENDEAVOR UNIVERSITY SPRING 2023

## School of Biblical Studies

### Augustine

**Pastor Larry Coulter ..... Mondays, 1:30 pm - 2:30 pm in the Fellowship Hall**

Augustine is on every short list of most influential Christian theological thinkers and writers. For those who seek to grapple with the great theological themes of the Trinity, creation, humanity, history, sin, grace, and eschatology, etc., Augustine is your guy. In this class, we will trace Augustine's life from birth to youth, his education, his 'conversion' to ordination as bishop, then his later days until death. We will explore the basics of his philosophy/theology on freedom and grace, salvation and predestination, ecclesiology and liturgy and, perhaps the most important of all, the Trinity. Sound heavy? No worries! One of the marks of Augustine is that he is eminently understandable and readable. Join us. Six one-hour sessions beginning February 27.

**No additional fees**
