# A NOTE FROM OUR DISCIPLESHIP PASTOR

As Lakeway Church grows larger, we want to ensure that we are growing smaller as well. Growing in a small group is a special way to grow in your relationship with God and to grow in your relationship with others. Inside this Grow Guide, you will find many unique opportunities designed to fit any schedule and for the season you are in for spiritual growth. I am so excited about the year ahead, knowing our souls are shaped to -

**love God and love people**

Matthew 22:37-40

Looking forward to growing with you!

God's blessings,

Pastor Craig Paczkowski
